**Dear Charlene**

Follow the instructions below to complete your deposit via Cointandem successfully.

Cointandem

General Instructions:

- To start the process, click the Cointandem button.
- use the email address and the password that you have with Capital Way. Once that's done, you will receive an email which you will need to verify.
- After verifying, log in with your details to Cointandem.
- On the top right, click on "Buy BTC" and insert the amount you wish to deposit in € which will automatically convert in BTC, then click "Next"
- Insert the BTC address provided from Capital Way and click "Next"
- Select the box "Credit Card" and click "To Payment" then mark the box that you agree on the terms and conditions.
- Provide your correct information in all the boxes shown and click "Submit".
- Insert your credit card details as requested then click "Pay". You will be transferred to verification via Mastercard / Visa to approve the transaction. When the transaction is successful, your account will start trading with our software.
- Once the transaction is approved, you will need to upload documents to your personal area at Capital Way (for verification purposes) so that your funds can be released to your trading account.

Cointandem

Best Regards,
